

PUBLIC EXHIBITION INVITATION

VICTORIA QUARTER, NEW BARNET

July 2023

Fairview
NEW HOMES Ltd.

One Housing

Fairview New Homes and One Housing are hosting a third consultation on revised proposals for the redevelopment of Victoria Quarter, on the site of the former British Gas Works at Albert Road, New Barnet.

The Victoria Quarter site (site boundary outlined in red)

As you may be aware, we previously brought forward proposals for schemes that were refused. However, we have acknowledged the opposition to the scheme and have worked hard to take this on board and are excited to bring forward revised plans for the site.

The new scheme includes a reduction in the number of housing units, proposals for new commercial space, new affordable family homes and new public space. We would like to hear your views on our plans and have a number of proposals that we would like to hear your feedback on.

We would like to invite you to one of our public exhibition events, where you will be able to meet members of the project team, give your thoughts on the proposal and ask any questions you may have. They take place on:

Wednesday 12th and Friday 14th July, 4- 7.30pm

at **Mary Immaculate and St. Peter Church 63 Somerset Road New Barnet, EN5 1RF**

We will also be launching our dedicated project website on **Wednesday 12th July** at victoriaquarter.consultationonline.co.uk where all our exhibition materials will be available, along with our feedback form where you can give us your views.

The Consultation will run from **Wednesday 12th July until Monday 31st July**.

Should you require any assistance in accessing the public consultation or wish for a hard copy of the consultation materials to be posted to your address, please contact the project team using the details provided below.
